Our private fees are calculated on an individual basis following a thorough examination with the dentist.

A treatment plan and estimate will be given to you prior to your treatment. A non-refundable deposit is required for 50 % of the treatment cost. Please note that any dental charges must be paid for at the completion of each appointment. If you fail to attend an appointment or cancel with less than 24 hours notice a charge at the rate of £15 per 15 minutes will be applied to your account

Denplan payment plans allows you to spread the cost of your dental care throughout the year and starts from only £10.80 per month for Denplan Essentials. Denplan Care is based on a banding system according to existing oral health status. Please a member of our staff for information.
